Name:

Class:

Solve each multiplication wheel by applying mental math techniques.

Name:

Class:

Write a number on the circle. Multiply the numbers on the wheel with it, write the solution down to the boxes.

The multiplication wheel consists of 12 segments, each containing a number from 1 to 12. The segments are arranged in a circle around a central white circle. The numbers are: 1, 10, 3, 12, 8, 6, 5, 2, 7, 11, 9, 4. Surrounding the wheel are 12 empty boxes for writing the solutions to the multiplication problems.

Treasure Map

The treasure map is a green island with a yellow path leading to a red and white striped lighthouse. A pirate ship with three masts is on the left, and a small wooden boat is below it. A woman in a blue dress is on the right. The map is decorated with trees and rocks. A grid of 20 empty circles is overlaid on the map, with the number '2' in the top-left circle. A compass rose is in the bottom right corner.
